

67 DCR 05612 (May 29, 2020 – Part 1). Among other things, Mayor’s Order 2020-067 partially lifted the restriction prohibiting on-site dining by allowing restaurants, taverns, nightclubs, mixed-use facilities, and other licensed food establishments to offer table service to seated patrons on outdoor public or private space. The Board interpreted the phrase “mixed-use” facilities to include hotels, multipurpose facilities, private clubs and other class CX and DX licensees, and licensed manufacturers that serve food and satisfy the requirements set forth below. Thus, on May 28, 2020, the Board adopted the *Suspension of On-premises Alcohol Sales Notice of Fourth Emergency Rulemaking*, by a vote of six (6) to zero (0). This emergency rulemaking superseded the previously adopted emergency rulemaking. See 67 DCR 07930 (June 26, 2020).

After adopting the fourth emergency rulemaking, Mayor Bowser issued Mayor’s Order 2020-075, dated June 19, 2020, which implemented Phase Two of Washington, D.C.’s reopening. See 67 DCR 07943 (June 26, 2020). Mayor’s Order 2020-075, among other things, allows restaurants, taverns, nightclubs, mixed-use facilities, and other licensed food establishments to: (1) offer on-site dining indoors, while limiting indoor capacity to no more than fifty percent (50%), excluding staff and outdoor seating; and (2) offer bar seating provided that the bar is not being staffed or utilized by a bartender.

In response to the issuance of Mayor’s Order 2020-075, the Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Fifth Emergency Rulemaking* on June 19, 2020, by a vote of six (6) to zero (0). See 67 DCR 09232 (July 31, 2020)). The emergency rulemaking, which superseded the emergency rules the Board had previously adopted, amended § 810 by modifying the conditions under which licensees may sell, serve and allow the consumption of beer, wine, or spirits indoors or outdoors during the public emergency.

Since the adoption of the fifth emergency rulemaking, the Council passed the Streatery Program and Pop Up Locations Emergency Amendment Act of 2020, effective July 27, 2020 (D.C. Act 23-346; 67 DCR 9387 (August 7, 2020)) [Expired], which further modified requirements for ABC-licensed establishments seeking to offer alcoholic beverages for on-site sales and consumption and carryout, as well as those licensees who seek to use expanded or new outdoor public or private spaces. Some of the additional requirements in the Act were absent from the Board’s fifth emergency rulemaking. In order to ensure that the District’s regulations were consistent with the new law, the Board deemed it necessary to take emergency action. Thus, on August 19, 2020, the Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Sixth Emergency Rulemaking*, which superseded the emergency rules the Board had previously adopted. See 67 DCR 11139 (September 18, 2020).

After adopting the sixth emergency rulemaking, the ABC Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Seventh Emergency Rulemaking*, on September 30, 2020, by a vote of seven (7) to zero (0). See 67 DCR 12724 (October 30, 2020). The Board adopted these emergency rules in response to the Council’s adoption of the Fiscal Year 2021 Budget Support Emergency Act of 2020, effective July 28, 2020 (D.C. Act 23-404, 67 DCR 10098) [Expired].

After the Board adopted the seventh emergency rulemaking, Mayor Bowser issued Mayor’s Order 2020-119, dated November 23, 2020. See 67 DCR 14025 (November 27, 2020). Amongst other

things, Mayor's Order 2020-119 established new restrictions for restaurants and other licensed food establishments where alcoholic beverages are purchased and sold for on-premises consumption. In response to this new Mayor's Order, the Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Eighth Emergency Rulemaking*, by a vote of four (4) to one (1), on November 24, 2020. See 68 DCR 00919 (January 15, 2021).

After the Board adopted the eighth emergency rulemaking, Mayor Bowser issued Mayor's Order 2020-127, dated December 18, 2020. See 67 DCR 14986 (December 25, 2020). Mayor's Order 2020-127 ordered restaurants and other dining facilities to cease indoor dining effective 10:00 p.m. on December 23, 2020, until 5:00 a.m. on January 15, 2021. In response to the Mayor's Order, the Board issued the *Suspension of On-premises Alcohol Sales and Consumption Notice of Ninth Emergency Rulemaking*, which ordered ABC-licensed establishments to cease indoor operations in accordance with the Mayor's Order. See 68 DCR 01291 (January 22, 2021).

On January 11, 2021, Mayor Bowser extended Mayor's Order 2020-127, which paused certain Phase Two activities due to public safety concerns and the ongoing health emergency that the COVID-19 Pandemic presents. See Mayor's Order 2021-004, dated January 11, 2021. See 68 DCR 00945 (January 13, 2021). Mayor's Order 2020-127 would have expired at 5:00 a.m. on January 15, 2021. By issuing the new Mayor's Order, the Mayor extended the pause on certain Phase Two activities, including indoor dining, until 5:00 a.m. on January 22, 2021.

On March 17, 2021, Mayor Bowser issued Mayor's Order 2021-038, which, amongst other things, allows restaurants and other dining facilities to operate, and offer sales, service, and on-premises consumption until midnight daily. Mayor's Order 2021-038 took effect on March 22, 2021.

In order to ensure that the District's alcohol regulations are consistent with the Mayor's Order, the Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Eleventh Emergency Rulemaking* on March 17, 2021. The emergency rulemaking continues to allow on-premises alcohol sales and consumption in accordance with the *Suspension of On-premises Alcohol Sales and Consumption Notice of Tenth Emergency Rulemaking*, which the Board adopted on January 13, 2021. See 68 DCR 02320 (February 26, 2021). The new emergency rulemaking, however, extends the hours of operation, sales, service, and consumption to midnight, daily, unless otherwise restricted by settlement agreement. This emergency rulemaking will allow an ABC-licensed establishment to sell, serve, and allow the consumption of alcoholic beverages until midnight, which is a change from 10:00 p.m.

This emergency action is necessary for protecting the health and welfare of District residents. This action will ensure that the Board's regulations are consistent with the new COVID-19 restrictions, which serve to further the Mayor's and Board's objective to curb the spread of COVID-19.

Thus, on March 17, 2021, the Board adopted the *Suspension of On-premises Alcohol Sales and Consumption Notice of Eleventh Emergency Rulemaking*, by a vote of seven (7) to zero (0). These emergency rules supersede the emergency rules that the Board adopted on January 13, 2021. The emergency rules took effect on March 22, 2021, and will expire in one hundred twenty (120) days, or by July 15, 2021, unless superseded.
